RE: REQUEST FOR INFORMATION PURSUANT TO
SECTION 104 OF CERCLA & SECTION 3007 OF RCRA
FOR THE ARTEL CHEMICAL SITE, NITRO, WEST VIRGINIA

To Whom It May Concern:

This is in response to EPA Region III's April 20, 1989 letter addressed to GE's Specialty Transformer Department, in Fort Wayne, Indiana, regarding the above referenced matter.

A search of the GE-Specialty Transformer files indicates that there are no documents which would be responsive to the inquiry with respect to Artel Chemical Corporation, the Fike Chemical Corporation and/or Roberts Chemical Company. Nor are we aware of any documents which would be responsive to Request No. 2.

If anything additional is required from GE in this regard, please let me know.

Yours truly,

James P. Flynn
Counsel
